PROFILE

I'm a third-year B.Tech CSE student with hands-on experience as a Web Developer Intern. Skilled in HTML, CSS, JavaScript, PHP, and MySQL, I'm passionate about building responsive and efficient web applications, while continuously exploring modern tools, frameworks, and best development practices to enhance user experience.

WORK EXPERIENCE

- Meshdroid Technologies** JAN 2024 - APRIL 2024
Web Developer Intern
 - Developed a fully functional College Management System website using HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL.
 - Implemented student and teacher portals with secure login and role-based access.
 - Enabled features like marks entry , evaluation and student records management.

PROJECTS

- Personal Portfolio Website**
 - Designed and developed a fully responsive personal portfolio website using HTML, CSS, and Bootstrap to professionally showcase my projects, technical skills, and achievements.
 - The site features a clean UI, smooth navigation, and highlights both academic and personal accomplishments.
- Optical Store Website (Front-end)**
 - Developed a responsive and visually appealing front-end for an optical store website using HTML, CSS, and Bootstrap.
 - Designed an intuitive user interface featuring categorized product listings for eyewear such as eyeglasses, sunglasses, and contact lenses.
- College Management System**
 - Developed a fully functional College Management System website using HTML, CSS, JavaScript, Bootstrap, PHP, and MySQL.
 - Implemented student and teacher portals with secure login and role-based access.
 - Enabled features like marks entry , evaluation and student records management.
